

## AHPS AUCTION NUMBER 185

**Closing date for bids in this auction is December 10, 2022**

This auction features very fine examples of Swiss philatelic literature. Unless stated in the listing of the book, the condition will be Fine to Very Fine. Please note that there are no catalog values or minimum bids. This enables you to determine your own value for each book.

The first catalog number in the description is generally Zumstein (Z), followed by Scott (S), as appropriate. Values are from the 2019 Zumstein. Airmail covers are listed and valued per the 2013 Schweizerisches Luftpost-Handbuch, where appropriate. Catalog values are converted to dollars at the rate CHF 1 = US\$ 1.00. Although the Swiss Franc is a little higher than the U.S. Dollar, it makes pricing a lot easier.
